DIVE TEAM

We are searching for new divers of all ages for summer dive program. Diving offers a safe, fun sport for boys and girls that show talent in gymnastics, tumbling trampoline. However no experience is needed at all. We had several new divers last year that did great! If you would like to get a jump start on the season, the matrix offers trampoline classes that are beneficial and Huntsville springboard diving has flexible lesson schedule at the natatorium.

We are trying to decide what time schedule to offer practice this year....

Morning, afternoons or both.

Please email Michelle Hughes al-buckeye@comcast.net if you are interested and what time you would prefer practice. I would like to get a tentative list of divers as soon as

possible.
SOCIALS

We are looking forward to another

Fun Filled Summer Season!
